Sherry Pruitt M.Ed.,ET/P

Ms. Pruitt sees children, adolescents, and adults. She assists parents in learning alternate skills for raising children who have not responded to traditional parenting strategies. Ms. Pruitt co-leads two groups for adolescents and young adults which promote social skills and transitioning into post secondary placement as well as into adulthood.

Vicki Stein DSc,LCSW-

Dr. Vicki combines her skills as a social worker with her dietary knowledge to educate clients about the benefits of treating mental health and neurological issues with nutrition and supplements. She combines traditional psychotherapy, nutrition education and body work in her practice, providing clients with a holistic approach to healing.
